David Leaf, DC, DIBAK is a past Chairman of the International College of Applied Kinesiology and winner of the 2015 Teacher of The Year Award – International College of Applied Kinesiology. Dr. David Leaf has been treating athletes since 1978 and has worked with professional athletes in football (New England Patriots), soccer (AC Milan – Fiorentina), hockey (Boston Bruins New York Rangers), and baseball (Houston Astros), as well as professional cyclists. In addition, he has treated over 30 Olympic medalists.

Tom Roselle, DC, DCBCN is currently Director of Roselle Center for Healing, an integrative wellness center incorporating chiropractic, applied kinesiology, acupuncture, nutrition, and massage therapy. Tom has served on the Boards of Directors of the Northern Virginia Chiropractic Society and New York State Chiropractic Association. He is past Chairman of the prestigious International College of Applied Kinesiology. He is the producer of the twice Emmy award-nominated PBS documentary "Ageless Health®." Dr. Roselle is the author of an acclaimed self-help book "Ageless Health®: Health Is A Do-It-To-Yourself Program."
